President's Message

Dear Fellow Artist and Art Appreciators,

June is going to be a month of moving forward. I am hopeful it will include the beginnings of getting back to our new normal. GCAG continues to applaud all the first responders and hospital staff as well as all those that are working at jobs along the frontline. We deeply appreciate what you are doing as we all move together towards a better tomorrow.

As we move forward in a respectful and cautious manner as a nation we must also move forward in the same fashion as an organization. I would like for those of you who feel comfortable to be a part of our end of the year gathering to install officers and enjoy fellowship and food.

We will be meeting outdoors where you can enjoy social distancing in a sheltered area and a nice view. You are welcome to bring an easel and some of your latest work for us all to enjoy. Information on that meeting is on a link directly below my message on the website.

Our board continues to meet via zoom to take care of old business and reschedule and plan new shows, venues, workshops, and events. We look ahead to the future with much optimism. Stay safe, stay well, and care for each other.

Warm Regards,
Carol Stowe-Rankin
GCAG President
