

## Weekly Update, May 31-June 6, 2020

### Announcements

As the state of NC begins to gradually open businesses and services, GCAG would like to slowly try to do the same.

- After meeting this week, the GCAG Board decided the June General Meeting that was scheduled for Tuesday, June 9 from 4:00-6:00 pm outside at Art by J Studio, 1500 River Dr., Ste 256, Belmont, NC is canceled. Installation of new Board officers will be held in September at the meeting on Tuesday, September 8, 2020. Some workshops may be offered this summer by the Guild. That info is forthcoming.
- However, weekly Pleine Air Wednesday meetings are resuming with the next one scheduled for Wednesday, June 10 from 9:00-12:00 noon at Goat Island, Cramerton, NC (weather permitting). Please bring your own lunch. Masks will be worn and social distancing enforced. Please click the link below if you need further info.

From the Editor: I have been happily doing the monthly ARTworks newsletter and weekly updates for nearly two years. In doing so, I have met new people and made lifelong friends. But it is time for me to hang up my editor's hat and turn my talents to other areas of the Guild. I will still maintain the Guild website and Facebook page and as co-vice-president for the Guild, I will assist Gloria Brinkman with securing monthly programs and workshops.

I thank you for your kind and generous feedback on the newsletter and website. I turn my editor duties over with confidence to Anne Cowie who is not only more than qualified, but an excellent artist who will use her skills to propel the Gaston County Art Guild to new heights.
